First Floor

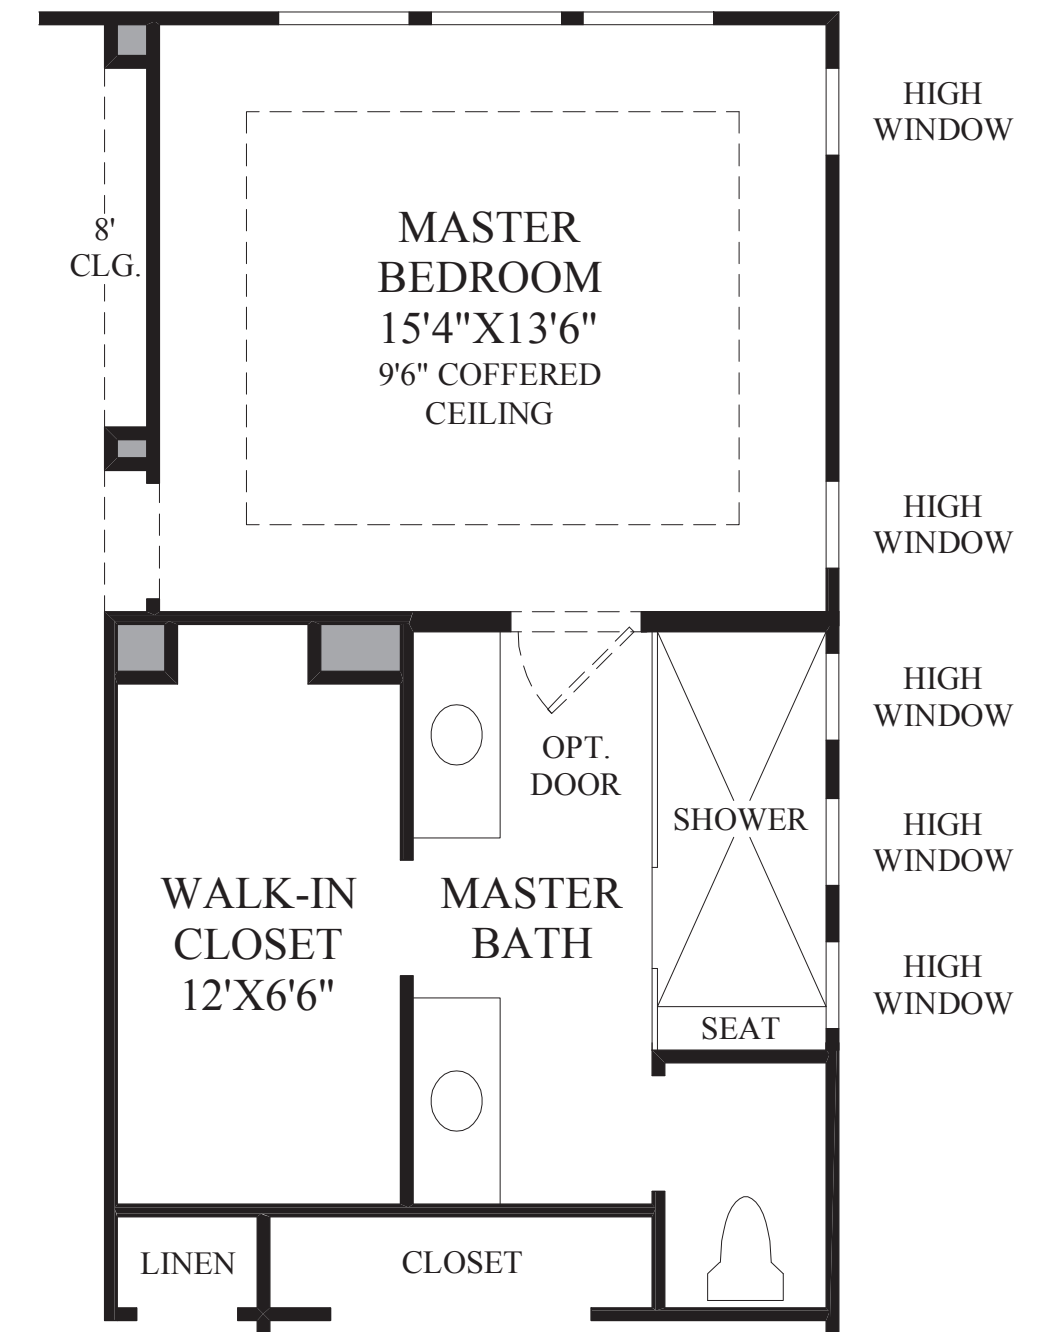

SPANISH COLONIAL EXTERIOR DESIGN SHOWN

THE CORAL HIGHLIGHTS

- An inviting covered entry adds curb appeal while leading you into a well-designed open floor plan.
- Unifying the prominent great room and centralized dining room, the marvelous kitchen is complete with an abundance of counter space and a large center island with a built-in breakfast bar for informal dining.
- The luxurious master bedroom flaunts a captivating master bath that includes dual vanities, a private water closet, a glass-enclosed shower, a separate soaking tub, and a sensational walk-in closet.
- Additionally featured is a generous luxury outdoor living space, a radiant conservatory, a desirable second-floor laundry room, and an expansive loft.
